

With sadness, I write

Norman Ellis passed away peacefully in his sleep at his home, in the early hours of Sunday morning, 15th January 2017, at the age of 92. His death was sudden and without warning, and we are still feeling the shock.

Dad was born in Lancashire. We lived for many years in Petts Wood, and when he retired, Mum and Dad moved to Devizes where they were actively involved with Camera Club, Recorded Music Society and Probus, as well as supporting many local charities through their slide show presentations. His whole working life was with Midland Bank (later HSBC), and he had many good friends there as well. Although Dad had no brothers or sisters, his father's family was large and has spread around the globe.

Mum was the love of his life; she passed away a few years ago, and arrangements for his funeral service are aligned with what he chose for her, with his ashes being spread where he can join her.

Norman is survived by me, their son, his daughter-in-law Lisa, grandson Chris, granddaughter Kim, their spouses and children, and along with good friends and family, he is, and will be, very sadly missed. He may be gone, but he lives on in others; may he rest in peace.

Please join our family in a service to celebrate his life. The funeral will be held on Tuesday, February 7th at 10:45. This will be followed by a buffet lunch reception at Well House Manor.

You will be welcome with open arms, and we can arrange accommodation in Melksham and local transportation if needed.

I hope you will be able to join us to celebrate a life long-lived, yet taken too soon.
